Medical Insurance Plans: HSP/HSA

The HSP/HSA Plan is a High Deductible Health Plan (HDHP). HDHPs offer lower premiums, but carry a higher deductible, which you pay out-of-pocket before the plan will share in the cost of services. Less comes out of your paycheck, but the amount you pay for services can vary. HDHPs are an option for those that want to keep more of their pay each month and generally need fewer medical services. With the HSP/HSA Plan, there are multiple ways to help offset the higher deductible such as contributing to an HSA, or electing supplemental benefits like Accident, Critical Illness, or Hospital Indemnity Insurance to help cover the cost of a major medical event. HSP/HSA annual deductibles and out-of-pocket maximums have been amended in order to comply with IRS inflation-adjusted limits, and your Mauser employer contributions to your HSA/Wellness Incentive will continue through Personify Health, formerly Virgin Pulse.

To search the provider networks for your plan, simply visit www.myuhc.com or call the number on the back of your ID card. The Plan name is: Choice Plus.

Medical Insurance Plans: PPO

Mauser Packaging Solutions offers a Preferred Provider Organization (PPO) plan through United Healthcare (UHC). PPOs carry a higher premium, but offer fixed copays. PPOs are an option for those that don't mind having a little more taken out of their paycheck to spend less accessing care. There is less risk because you know your fixed costs and deductible amounts are lower than the HSP/HSA Plan.

To search the provider networks for your plan, simply visit www.myuhc.com or call the number on the back of your ID card. The Plan name is: Choice Plus.

Pre-Existing Condition Limitations	None	None

¹Virtual Visits by a Designated Virtual Network Provider. No Virtual coverage for out-of-network.

Remember: Getting care from an in-network medical provider always saves you money.

NOTE: Your medical plan options must offer certain preventive care benefits to you in-network without cost sharing and these preventive care benefits generally are updated annually. Under the Affordable Care Act, the medical plans generally may use reasonable medical management techniques to determine frequency, method, treatment or setting for a recommended preventive care service. Review the Summary Plan Description (SPD) for a list of preventive care services.

Prescription Plan and HealthChampion

When you enroll in either medical plan, you are automatically enrolled in prescription drug coverage. The prescription plan will now be administered by OptumRx (a subsidiary of UnitedHealth Group).

Prescription drug coverage is one of the most valuable, but also one of the most expensive benefits offered. Always discuss lower cost alternatives with your physician, and because periodically drugs can change from one tier to another, you are encouraged to register and check the OptumRx website for the most recent Prescription Drug List (PDL) at www.optumrx.com.

Health Savings Account (HSA)

When you elect to enroll in the HSP medical plan, you have the opportunity to contribute **pre-tax dollars** deducted from your paycheck and deposited into a Health Savings Account (HSA) through Optum Bank. You are the owner of this bank account, and unlike a traditional Flexible Spending Account, your funds can rollover from year-to-year and build over time with potential interest earned. Use your HSA funds to pay for current health care expenses, or save them for future expenses – including those you have during retirement or if you leave Mauser. If you're turning age 55 or older in 2025, you can contribute an additional \$1,000 per year.

As part of your HSA/Wellness Incentive, Mauser Packaging Solutions will contribute to employee HSA accounts up to \$1,000 (single) or \$2,000 (family) for **FULL YEAR** participants. Of this amount, enrollees as of Jan. 1 will receive seed funding of \$250 (single) or \$500 (family) employer contribution deposited by the end of January. Remaining HSA dollars are tied to wellness activities and will be coordinated through Personify Health, formerly Virgin Pulse. Once HSA contributions are earned, they will be deposited to active employee accounts on or around the 15th of April, July, October and December.

To determine how much you should contribute to your Health Savings Account, estimate your tax savings, and see how your savings may grow over time visit www.openenrollment123.com.

Paying for eligible health care expenses out of your HSA is easy with your HSA debit card or you can submit a claim for reimbursement (up to the available balance in your account).

HSA's Deliver Triple Tax Savings

1. You don't pay federal taxes on the contributions you make to your HSA.
2. You don't pay taxes on the interest you earn in your account.
3. You don't pay taxes when you use the money to pay for eligible health care expenses.

Tips On Managing Your HSA:

- Try not to use your HSA for routine expenses. If you can pay out-of-pocket, leave your HSA funds alone because they may grow for when you need them in the future.
- Consider electing supplemental medical plans to cover big ticket expenses from unexpected serious injuries or accidents and ensure they don't deplete your HSA.
- A balance over \$2,100 allows for investment options to grow your fund further. Monitor your HSA funds as they earn interest through investments.
- You may not contribute to an HSA if you are enrolled in Medicare in 2025 or in a PPO medical plan.

HOW MUCH CAN YOU CONTRIBUTE?	ANNUAL IRS CONTRIBUTION LIMIT	MAXIMUM ANNUAL EMPLOYER CONTRIBUTION	YOUR MAXIMUM CONTRIBUTION AMOUNT
Individual Coverage	\$4,300*	\$1,000	\$3,300**
Family Coverage	\$8,550*	\$2,000	\$6,550**

*Total IRS contribution limits for 2025 are cumulative of Mauser Packaging Solutions funding. Amounts change yearly per IRS guidelines.
 **Individuals age 55 or older can make an additional \$1,000 in "catch up" contributions.

If you are new to the HSA, an account will be opened when you elect the Health Savings Account through the Benefits Portal.

NOTE: Due to the Patriot Act, Optum Bank may reach out to you via email to verify your identity and request supporting documentation. If no email is received, communication will be sent to you by mail. If you receive a request, you **MUST** reply in a timely manner so that your account can be opened to be able to receive the Mauser Packaging Solutions contributions, any contributions you decide to elect, and any HSA dollars earned through wellness activities. Failure to open your HSA may result in forfeiture of employer HSA contributions.

Dental Plan

Mauser’s dental benefits, available through Guardian, offer you and your family coverage for maintaining your oral health. Regular dental cleanings and check-ups are extremely important to your overall health and you are encouraged to take advantage of your preventive care benefits.

Our plan provides for exams and cleanings every six months. You may seek care from any dentist, but by choosing in-network providers, you will lower your out-of-pocket costs. To find an in-network dentist, call toll-free at **1-800-541-7846** or go to www.guardianlife.com and select **Connect with us> Find a Provider** to select plan type and search by location or name. You may also download the Guardian dental mobile app to search for dentists and view your ID cards.

What Does Preventive Dental Care Typically Cover?

Every dollar spent on preventive care can save you money later on procedures that are more urgent, complex, and costly.

Routine dental checkups and cleanings should be scheduled every six months. Your dentist may recommend more frequent or fewer visits, depending on your dental health history.

Professional fluoride treatments can be a key defense against cavities if you’re at high risk for decay. Professional fluoride treatments have significantly more fluoride than tap water or toothpaste, and take only a few minutes to apply.

Dental sealants go a step beyond fluoride by providing a thin, plastic coating to the chewing surface of your teeth. Most dental plans cover sealants as preventive care for children under 16 on their unrestored permanent molars.

X-ray images of your mouth may be taken by your dentist or dental hygienist to better evaluate your oral health. These images go beneath the surface to provide a more detailed look inside your teeth and gums.

Vision Plan

Mauser offers you vision benefits through EyeMed to ensure that you and your family have access to quality, affordable eye care. 5 Tips for a Lifetime of Healthy Vision

- 1. Schedule yearly eye exams.** Visiting your eye doctor regularly helps you see your best, protect your sight, and even detect serious health conditions such as diabetes.
- 2. Protect your eyes against UV rays.** No matter what the season, it is important to wear sunglasses. When selecting and purchasing sunglasses, be sure to confirm they offer 100% UVA/UVB protection.
- 3. Give your eyes a break from digital devices.** Digital screens emit a specific type of blue and violet light which can negatively impact eye health and cause digital eye strain.
- 4. Quit Smoking.** Smoking increases your risk of developing macular degeneration, optic nerve damage, and cataracts.
- 5. Practice safe wear and care of contact lenses.** Keep them clean and follow the recommendations for use and wear.

Flexible Spending Accounts (FSAs)

FSAs are a great way to save because they let you set aside **pre-tax dollars** to pay for out-of-pocket health care expenses, such as deductibles, copays, and coinsurance, as well as, dependent care expenses. Please note: **Employees are only eligible to enroll in the Health Care FSA plan if they enroll in the PPO medical plan or waive medical coverage through Mauser Packaging Solutions.**

Health Care – \$3,200* Annual Maximum

Based on your estimated amount of medical out-of-pocket expenses, the annual amount you elect is evenly deducted out of each paycheck throughout the year. Once you have elected your FSA amount, you may not change it without a Qualifying Life Event. Please be aware that any unused balance will be forfeited back into the plan. If employment is terminated, you have until the end of the month to use your balance. You can incur expenses only during the plan year you are enrolled (January 1 through December 31), and the claim filing deadline is 90 days after the end of the plan year on December 31.

Dependent Care – \$5,000* Annual Maximum –

A Dependent Care FSA is available to employees who have a dependent child under the age of 13 or parent for which they pay expenses such as day care, preschool, or after school care. Funds in the Dependent Care FSA are not to be used for medical care. It is advised that you seek advice from your tax preparer.

Limited Purpose – \$3,200* Annual Maximum

Works with the HSP/HSA medical plan to cover dental and vision expenses. The Limited Purpose FSA functions the same as a Health Care FSA. Any unused balance will be forfeited back into the plan.

***2024 Annual Maximums.** Upon publication, 2025 Annual Maximums for Health Care, Limited Purpose, and Dependent Care were not yet known.

USE IT OR LOSE IT: Be sure to calculate your FSA contributions carefully; FSAs are use-it-or-lose-it accounts. Also, the funds won't rollover from year-to-year, and you will have to actively re-enroll on a yearly basis. You are not automatically re-enrolled.

FSA Reminders

- You cannot use money from the Health Care or Limited Purpose FSA to cover expenses eligible under the Dependent Care FSA or vice versa.
- Save your receipts. No matter how you access your FSA Funds, be sure to keep your receipts to validate your reimbursements.
- You must re-enroll each year if you wish to continue funding the account(s).
- Your entire Health Care or Limited Purpose FSA balance, even money you have not yet contributed, is available as of January 1.
- Dependent Care funds are only available as you contribute to them through payroll deductions.

New Jersey Parking & Transit – \$315 Monthly Maximum

Residents of NJ have the option to set aside money pre-tax to pay for certain expenses incurred for work-related parking and transit. For more information on how this benefit works, contact Optum Bank at **1-877-311-7849**.

Critical Illness Insurance

Protect yourself and your family from the unexpected costs of a covered critical illness with Group Critical Illness Insurance.

Even the most generous medical plan does not cover all of the expenses of a critical illness like a heart attack or cancer. Critical Illness Insurance pays a full lump sum benefit as elected, based on the condition, directly to you (unless otherwise assigned) if you are diagnosed with a covered critical illness. The benefit is paid in addition to any other insurance coverage you may have. You can choose a coverage amount when you enroll: **\$10,000, \$20,000, \$30,000 or \$40,000**. See the Mauser Benefits Portal for additional information.

Covered Critical Illnesses Include:

- Heart Attack
- Stroke
- Cancer
- Major Organ Transplant
- End Stage Renal (Kidney) Failure
- Alzheimer's Disease

Plan Features:

- ✔ **Guaranteed Issue:** There are no health questions or physical exams required.
- ✔ **Family Coverage:** You can elect to cover your spouse and children.*
- ✔ **Health Screening Benefit:** The plan provides a \$75 benefit per covered employee and spouse (benefit is not payable for dependent children) per calendar year for having a covered health screening test such as a mammogram, blood test for triglycerides, serum cholesterol test to determine level of HDL and LDL, and more.
- ✔ **Portable Coverage:** You can take your plan with you if you change jobs or retire.

How Critical Illness Insurance Works

When Sam had a stroke, they were grateful their doctors were able to stabilize their condition, but they learned there was some permanent damage to their vision requiring additional medical care. They began to see their out-of-pocket costs adding up quickly. The good news is they received a lump sum payment of \$10,000 to help cover these expenses from the Critical Illness coverage they elected during Open Enrollment.

Why We Offer Supplemental Benefits

Medical insurance may not prevent all of the financial strain of a major illness or injury.

Many families may not have enough in their savings to cover the deductible and coinsurance of a major medical event. Supplemental benefits can help cover this out-of-pocket cost.

The benefits are paid directly to you, allowing you to use the funds however you choose. You receive the full benefit even if you have other insurance.

Please note: These plans are not replacements for medical insurance.

**If you elect coverage for your dependent children, you must provide notification to your employer when all of your dependent children exceed the dependent child age limit or no longer otherwise meet the definition of a dependent child.*

If you elect coverage for your spouse, you must provide notification to your employer if your spouse no longer meets the definition of a spouse.

Accident Insurance

Group Accident Insurance provides cash benefits directly to you (unless otherwise assigned) that help with medical and non-medical out-of-pocket expenses associated with treatment in the event of a covered accident. The benefit amount is calculated based on the type of injury, its severity, and what medical services are required in treatment and recovery. The plan covers a wide variety of injuries and accident-related expenses, including:

Ambulance	\$500
Eye Injury	\$300
Medical Testing	\$150
Concussion	\$500
Hospital Admission	\$1,000

The plan includes an Organized Sports Activity Benefit Rider that increases your benefit by 25% for injuries resulting from an accident that occurs while participating in an organized sports activity.

Plan Features

- ✓ **Guaranteed Issue:** There are no health questions or physical exams required.
- ✓ **Family Coverage:** You can elect to cover your spouse and children.*
- ✓ **24/7 Coverage:** Benefits are paid for accidents that happen on and off the job.
- ✓ **Portable Coverage:** You can take your plan with you if you change jobs or retire.
- ✓ **Health Screening Benefit:** The plan provides a \$75 benefit per covered person per calendar year if you, your covered spouse, or your covered child completes a covered wellness test such as an annual physical exam, mammogram, pap smear, eye exam, and more.

How Accident Insurance Works

Pat loves working in the backyard garden on the weekends. One day while carrying some supplies, they trip and sprain their ankle and break their big toe!

The accident requires not only a trip to the emergency room, but also physician follow-up visits, and physical therapy treatments. Fortunately, Pat has **Accident Insurance** which helps cover the out-of-pocket medical costs, including the deductible and coinsurance.

How Pat's Accident Benefit Was Calculated:

Medical Service	Sample Benefit
Emergency Room	\$ 300
Fracture Benefit	\$ 480
Physician Follow-Up Visits (3)	\$ 300 (\$100 per visit)
Physical Therapy Visits (10)	\$ 500 (\$50 per visit)

Total Sample Benefit **\$1,580**

Hospital Indemnity Insurance

Receive lump sum payments to help cover the cost of a hospital stay for you and your family.

If you are admitted into a hospital, it doesn't take long for the out-of-pocket costs to add up. Group Hospital Indemnity Insurance pays lump sum benefits directly to you (unless otherwise assigned) if you are admitted into a hospital for care due to a covered sickness or injury. Benefits are paid even if you have other coverage.

You receive a benefit for hospital admission and then an additional benefit based on the number of days you are confined to the hospital.

Plan Features

- ✓ **Guaranteed Issue:** There are no health questions or physical exams required.
- ✓ **Family Coverage:** You can elect to cover your spouse and children.*
- ✓ **Payroll Deduction:** Premiums are paid through convenient payroll deductions.

Your salary band is based on your annual base salary (i.e. not inclusive of overtime or other pay) at the time of enrollment. NOTE: A change to your annual base salary occurring during the health care year and that results in a different salary band, won't be updated/reflected until the following year.

Important Notices

About This Guide

This guide highlights your benefits. Official plan and insurance documents govern your rights and benefits under each plan. For more details about your benefits, including covered expenses, exclusions, and limitations, please refer to the individual Summary Plan Descriptions (SPDs), plan document, and/or certificate of coverage for each plan. Your SPDs can be obtained by logging into the Mauser Packaging Solutions Benefits Portal. If you are unable to access these for any reason, contact the Benefits Service Center for a printed copy.

Enclosed are important notices about your rights under your health and welfare plan (United Healthcare medical plans), the "Plan." The information in the accompanying guide provides updates to your existing SPDs as of 1/1/2025 and is intended to be a Summary of Material Modification.

If any discrepancy exists between this guide and the official documents, the official documents will prevail. Mauser reserves the right to amend or terminate any of its plans or policies, make changes to the benefits, costs, and other provisions relative to benefits at any time with or without notice, subject to applicable law.

Reminder of Availability of Privacy Notice

This is to remind plan participants and beneficiaries of the Mauser United Healthcare medical plans (the "Plan") that the Plan has issued a Health Plan Privacy Notice that describes how the Plan uses and discloses protected health information (PHI). You can obtain a copy of the Mauser United Healthcare medical plans Privacy Notice upon your written request to the Human Resources Department, at the following address:

Mauser Packaging Solutions, Human Resources
1515 W. 22nd St., Suite 1100
Oak Brook, IL 60523

If you have any questions, please contact the Mauser Human Resources Office at **1-630-203-4087**.

Patient Protection Notice

United Healthcare medical plans generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members.

For information on how to select a primary care provider, and for a list of the participating primary care providers, contact the United Healthcare at **1-866-734-7670**.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from United Healthcare medical plans or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in-network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the United Healthcare at **1-866-734-7670**.

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you

would like more information on WHCRA benefits, call your plan administrator at **1-866-734-7670**.

Newborns' and Mothers' Health Protection Act Disclosure

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

USERRA

Your right to continued participation in the Plan during leaves of absence for active military duty is protected by the Uniformed Services Employment and Reemployment Rights Act (USERRA). Accordingly, if you are absent from work due to a period of active duty in the military for less than 31 days, your Plan participation will not be interrupted, and you will continue to pay the same amount as if you were not absent.

If the absence is for more than 31 days and not more than 24 months, you may continue to maintain your coverage under the Plan by paying up to 102% of the full amount of premiums. You and your dependents may also have the opportunity to elect COBRA coverage. Contact United Healthcare medical plans for more information.

Also, if you elect not to continue your health plan coverage during your military service, you have the right to be reinstated in the Plan upon your return to work, generally without any waiting periods or pre-existing condition exclusions, except for service-connected illnesses or injuries, as applicable.

Important Notice from Mauser About Your Prescription Drug Coverage and Medicare

Medicare Part D Notice of Creditable Coverage

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Mauser Packaging Solutions and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Mauser has determined that the Mauser prescription drug coverage option(s) listed below is, on average, for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage.

Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Mauser coverage generally will not be affected.

Your Mauser coverage pays for other medical expenses in addition to prescription drugs. You or your covered family members who join a Medicare prescription drug plan will be eligible to continue receiving prescription drug coverage and these other medical benefits.

If Mauser pays primary to Medicare, for example with active employees and spouses of active employees who are Medicare eligible due to age, Medicare will pay after the Mauser prescription drug plan pays. In limited instances, Mauser will pay after Medicare pays; for example, Medicare pays before your employer provided coverage for certain individuals who have been permanently disabled subject to the Medicare Secondary Payer rules. You will not be dis-enrolled from the Mauser prescription drug plan if you enroll in a Medicare drug plan. However, you should be aware that Mauser will not reimburse you for any Medicare prescription drug premium that may apply if you join a Medicare drug plan.

If you or any covered dependents do decide to join a Medicare drug plan be aware that you and/or your dependents will not be able to get primary prescription drug coverage from Mauser back subject to mid-year enrollment rules (for example, at next year's annual enrollment).

When your creditable prescription drug coverage ends, you will be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan. Note that you may pay a higher premium (a

penalty) if you join a Medicare drug plan outside of this SEP.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Mauser and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Your health plan is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to employees.

If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact Personify Health at (855) 924-1768 or email support@personifyhealth.com to develop another way for you to qualify for the wellness incentive reward.

EEOC Notice Regarding Wellness Program

Mauser's wellness program through Personify Health is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic

Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others.

Monetary incentives may be available for employees who participate in certain health-related activities or achieve certain health outcomes. If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Personify Health at (855) 924-1768 or emailing support@personifyhealth.com.

Protections From Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Mauser may use aggregate information it collects to design a program based on identified health risks in the workplace, Personify Health will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is a registered nurse/health coach in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately. However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2024. Contact your State for more information on eligibility –
